

ADULT BIB

An Adult Bib is a piece of generous fabric that is sewn to a waterproof vinyl backing, and hook & loop or snaps closure at neck. The purpose of the product is to protect clothing against any spillages and reduce the frequency of washing clothing. So it is also called Clothing Protector. A standard adult bib should have 2 layers at least (Some special adult bibs have 3 layers: Surface, Soaker and Barrier): Surface and Barrier.

1. The normal materials for the 2 layers are as below :

Surface : TWILL, Poly/cotton Poplin, 100%cotton Flannel, Terry, 100% brushed poly Knit, 100%polyester microfiber, Needle-punched, etc..

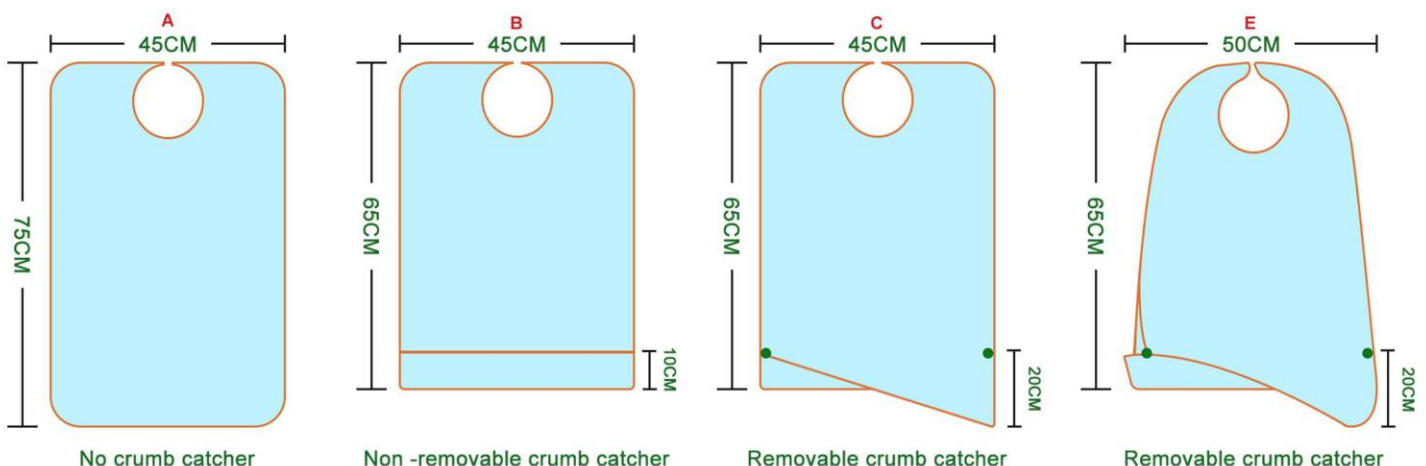

Barrier : 100%vinyl extruded to 100%poly knit or PU Laminating

2. Features :

- Effectively protection against spills & scalding during mealtime
- Full waterproof vinyl backing keeps your clothing clean & dry
- Medically grade vinyl is harmless to your health
- Crumb Catcher is available as requested
- Adjustable closure at neck

Style & Size

Patented design adjustable neck

Adjustable neck design, fit the neck better, no gap between the neck and the collar to completely protect the clothing.

Buckles design, easy to adjust neck size
Prepositive buckles to convenient to wear and get off for the aged.
