

URINE POT

Urine Pot is a portable urine collection device, and suggested to use for those who have had any kind of surgery and are unable to move from their beds. It can help patients to pee in the bed without moving from the bed. It's also an emergency necessity, especially useful during traveling and traffic jams. It is shaped to fit either a man or a woman. All our urine pots are made from high quality plastics, and available in many different styles.

Features :

- Durable plastic material, sturdy and long-lasting
- Instant and discreet bladder relief
- Spill-proof and leak-proof design
- Glow in the dark to avoid messy accidents
- Large capacity, great for frequent use
- Ideal for the elderly, bedridden, travelling and long-driving.
