

PET NAIL SCISSORS

Pet Nail Scissors are made from high quality thick stainless steel and ergonomic PP handles. The stainless steel blades are enough sharp to trim your pets' nails with just one cut and enough durable for many years. The PP handles are designed to be ergonomic, easy to grip and non-slip, keep you comfortable while trimming nails. The nail scissors are safely outfitted with a safety guard that greatly reduces the risk of cutting nails too short and injuring your pets by cutting in to the quick. It also comes with a nail file to allow you to polish sharp nails smooth.
