PET RAINCOAT

Pet Raincoat is made of 100% polyester lightweight durable fabric that is water resistance, wind resistance and easy to clean, and covers your dog from head to tail to keep your dog comfortable and dry in the worst weather conditions. With a hood design, the dog's body is protected from getting wet in all directions. A small pocket on the back can store snacks or toys. Snaps or Velcro closure at belly allows for a comfortable and secure fit on most dogs and make it easy to put on and take off. High visibility reflective material helps to keep your dog safe when out for walks under poor visibility. A harness hole on the collar of the raincoat is designed for the leash or collar.
