

PET WATER BOTTLE

Our Multi-functional Pet Water Bottle is made of high-quality food grade plastic and does not contain BPA, including drinking bowl, water bottle, snack compartment, garbage bag and poop shovel. The pet water bottle is of integrated design, and it is equipped with a double leakage proof switch which can feed water and also make the residual water return to the cup body without waste. In addition, the mouth of the bottle is equipped with a silica gel sealing ring and the button slides to the bottom to lock the water.

When you and your pet are ready to go out, the multi-functional pet water bottle is perfect for your dog to drink and feed. The lanyard tie design is convenient for you and your pet to go for a walk in the park. Easily attached to your backpack or bag.
