

# CAR SEAT COVERS FOR PETS

**Car Seat Covers** are made of waterproof and scratchproof 600D Oxford surface, soft PP fiber filling, waterproof 210D lining, non-slip rubber backing, and made with quilted design and thick padding. It is used to protect your car seats from dog hair, wet paws and everything else. The covers will make it easier and safer for you and your dog to get in and out of the car. Not only do they give your dog a designated place to rest their paws on a car ride, but also can help to make the bumps and turns more comfortable for your pup. No more falling into the floor of the back seat after a sudden brake or jumping into your lap and potentially causing an accident.

## Features :

- Durable and waterproof materials
- Hook & loop openings to access seat belts and latch systems
- Non-slip rubber backing and seat anchors to keep the cover in place
- Side panels provide extra protection to the interior doors
